

## **World Red Cross Red Crescent Day - 8 May 2018**

### **Message from SRCS President**

On World Red Cross and Red Crescent Day, SRCS celebrates the strength and the contribution of its staff and volunteers through the theme “Everywhere for everyone”. This occasion gives us an opportunity to highlight the activities of the SRCS and its Movement members.

The SRCS reaches more than 3 million people every year with a diverse range of services tailored to local needs. They focus on helping people to prepare for, cope with, and recover from humanitarian crisis, opposing discrimination and working in joint efforts in order to provide decent social services, ensuring adequate protection, health-care provision, disaster risk reduction and resilience measures are taken. The SRCS staff and volunteers are the backbone of the National Society’s endeavours to strengthen the capacities of the communities.

On this occasion, SRCS reiterates its commitment to support the vulnerable people by working with communities, local authorities and other stakeholders.

As I seize this opportunity, I would like to express my thanks to the SRCS staff and volunteers for their efforts and dedication in helping the vulnerable people in the country. I wish the SRCS staff and volunteers and their families many happy and peaceful returns of the occasion.

**Yusuf Hassan Mohamed**  
**SRCS President**
