Message from SRCS President

On the occasion of the World Red Cross and Red Crescent Day which falls on the 8th May, SRCS celebrates the day by highlighting its unique role in the community through the theme “Principles Unite Us”.

SRCS guided by the Red Cross and Red Crescent Fundamental Principles delivers humanitarian assistance to vulnerable people in Somalia. The services offered includes primary health care, rehabilitation of the physically disabled, First Aid, Restoring Family Links (RFL), war wounded surgery, fistula repair, Resilience, Livelihood and Hygiene Promotion. The SRCS reaches more than 3 million people every year with a diverse range of services tailored to local needs.

On this occasion, SRCS reiterates its commitment to support the vulnerable people by working with communities, local authorities and other stakeholders. All the SRCS activities are guided by the seven principles. These principles provide the foundation for our humanitarian action.

I seize this opportunity to express my thanks to the SRCS Executive Committee, members, staff and volunteers for their efforts and dedication in helping the vulnerable people in the country.

I wish the SRCS staff and volunteers and their families many happy and peaceful returns of the occasion.
